

Designed or not designed?

THAT is the question!

Question – Was the cardboard box on the front cover *designed* and *created* or did it happen by chance over billions of years?

Something as simple as a cardboard box!

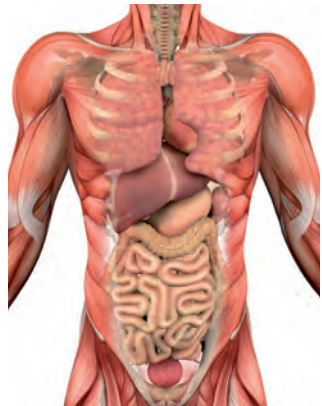

Did it take intelligent design to make it
or did it *evolve* over time?

You know!

Now take the human body and look at the complexity of it!

Question – Did all this *complexity* just happen by chance over billions of years or was the human body designed and created?

You know!

It is absolutely, 100% IMPOSSIBLE, for the human body NOT to have a designer!

(Remember the cardboard box!)

ONLY a *fool*, a *liar*, or someone *deceived*, could ‘believe’ that the human body *evolved* over billions of years through random chance and multiple mutations!

If you really believe in evolution, try to answer the following questions *honestly!*

Which *evolved* FIRST and how long did it work *without the others?*

1) The digestive system, the food to be digested, the appetite, the ability to find and eat the food, the digestive juices, or the body's resistance to its own digestive juice (i.e. stomach, intestines etc.)

2) The 'drive' to reproduce or the ability to reproduce?

3) The lungs, the mucus lining to protect them, the throat, or the perfect mixture of gases to be breathed into the lungs?

4) Which *evolved* first; the bones, ligaments, tendons, blood supply, or muscles to move the bones?

5) What about the nervous system, repair system, or hormone system, which *evolved* first?

6) Which of these 'systems' *evolved* first and how could they *evolve* without each other, seeing as they rely on each other? *Muscular system; Cardiovascular/Circulatory system; Digestive system; Endocrine; Integumentary system; Urinary system; Lymphatic system; Immune; Respiratory; Nervous; Reproductive system; Skeletal system.*

How can love, hate, jealousy, anger, joy, excitement, satisfaction etc. 'evolve?'

They can't!

How can *everything* come from *nothing*?

It can't!

This is the evolutionary formula for making the universe...

Nothing + nothing = 2 elements + time = 94 natural elements + time = all physical laws and a completely structured universe of galaxies, systems, stars, planets and moons orbiting in perfect balance and order!

This is the evolutionary formula for making LIFE...

Dirt + water = living creatures!

Evolutionists *theorise* that the above two formulas can enable everything about us to make itself – with the exception of man-made things, such as cars or buildings. Complicated things, such as *wooden boxes with nails in them*, require thought, intelligence and careful workmanship. But everything else about us in nature (such as *hummingbirds and the human eye*) is declared to be the result of accidental mishaps, random confusion and time! You will not even need raw materials to begin with! *They make themselves too!*

The NONSENSE of Evolution

It takes a lot of *faith* to believe in evolution!

Nothing produces everything!

Non-life produces life!

Randomness produces fine-tuning!

Chaos produces information!

Unconsciousness produces consciousness!

Non-reason produces reason!

A frog + a kiss = a prince!

Evolution teaches a frog + TIME = a 'prince!'

BOTH are fairy-tales!

(Evolution is a fairy-tale for *grown-ups*; it certainly shouldn't be taken seriously!)

The Theory of Evolution...

'Hydrogen is a colourless odourless gas, which given enough time, turns into people!'

The fool hath said in his heart, There is no God.

Men don't believe evolution because it is *scientifically accurate*; they believe it ***because they don't want to give account to their Creator!***

So what now?

You were created by God and He gave you this life to live!

Have you lived *for* Him or have you lived in *rebellion* against Him?

You know!

Your sins have cut you off from God, therefore you need His forgiveness; have you asked Jesus Christ to forgive you of all your sins? *If not do it now!*

That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved.

For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.

And as it is appointed unto men once to die, but after this the judgement.

Sadly to say, this country has turned its back upon God,
hence why we are in such a mess!

The only hope for all of us is to turn to the Lord Jesus
Christ for forgiveness, asking Him to lead and guide us
from this day forward!
