

See it?

Soaps on tv
and suds to drink,
washing your brain,
unable to think.
You just don't see it!
Going down the pub,
waste of time.
Money down the drain,
you just don't see it!
Can't sit still,
need a thrill,
pop a pill.
You just don't see it!
Watching every commercial,
buying every brand,
life full of amusement,
yet no contentment.
You just don't see it!
The god of this world,
blinded your mind,
lest the gospel of Christ,
shine in you,
and you see it!
