

Nobody in my life has loved me as much as the Lord Jesus Christ; I can't thank Him enough for everything He has done for me... He can do the same for you if you let Him!

Please write or email me if I can help further. I would be pleased to send you some FREE booklets which I've written that will also help you in your Christian walk.

Here are a few Scriptures for you to think upon...

- John 15v13** Greater love hath no man than this, that a man lay down his life for his friends.
- John 3v16** For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.
- Ephesians 4v21** ...the truth is in Jesus.
- John 14v6** Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me.

DOES ANYONE REALLY CARE?

Have you ever felt unloved, lonely, as if no one cares or understands?

Recently I walked past a homeless man begging on the streets; *he was only in his twenties*. He looked sad and despondent, as if he'd given up on everything. Maybe no one cared for him; *perhaps he himself didn't care anymore?* But there he was, all alone, *his only hope...* that passers by would give him some money – *what a life for a young man!*

Why are there so many people in this world who feel alone, rejected and abandoned? Is it their fault *entirely?* Who is to blame for all the broken homes, families and lives? *Is there a general answer, or is each situation different?*

LIFE can be really tough at times. People are losing their jobs and homes, and many are losing their self-esteem. People just don't know where to turn for help; sadly some try to ease the pain with alcohol or drugs. Without doubt, this country we are living in, is in a mess, and NO politician or leader has answers TO THE REAL PROBLEMS!

These days, people hardly care for one another; there *really* isn't much love in the world.

If this was all there was to LIFE, with no hope of life after death, it would be a most miserable existence for many people, *maybe you?* Some people never break out of the rut they are in, they have very little to hope for or look forward to!

1989 was a significant year for me! I found the answer to one of the deepest questions man can ask... 'What is the meaning and purpose to LIFE?' I found out there was *more to LIFE* than just 'existing', and also that **THERE IS LIFE AFTER DEATH!**

I can't *prove* to you my findings *physically*, but I would like to challenge you, the reader, to look into what I am about to tell you with an open mind and without preconceived ideas!

Over 2000 years ago a man named Jesus Christ walked this earth, HISTORY PROVES IT! There is documented evidence to this fact!

He claimed to be GOD in the flesh!

So why did He come to this earth and walk among us?

Because of sin! The human race has separated itself from God and is on its way to Hell.

Mankind has decided to live LIFE without God; **and since then, what a mess WE have made of things!!!**

The Lord saw us in our need; He knew that we had broken our relationship with His Father and came to take OUR sins upon Himself, dying in OUR place. He did this to make a way for *each and every one of us* to come back to God.

JESUS LOVED US THAT MUCH!

Three days later, after His death on the cross, He arose from the dead and returned to His Father in Heaven; *now He awaits YOUR cry for help!*

I can honestly say that I have found the true meaning of life, and this truth is only found in JESUS CHRIST!

You will never know the true meaning or purpose to life unless you confess your sins to the Lord Jesus Christ and receive Him as your Saviour.

Don't take my word for it, pray to the Lord Jesus Christ asking Him to forgive you and help you through your life, you really need Him.

Read the word of God and get to know Him. (*Get a copy of an **Authorized Version Bible** and start reading at the book of John and keep reading, asking God to help you understand it.*)

I've been a Christian now for over 20 years and the Lord has helped me through every situation I've had to deal with; He can do the same for you if you call upon Him. Don't leave it a moment longer, call upon Him TODAY!
